NOVEMBER 18TH, 2008**

Absent: Mark Wallace, Scott Moody

ACTIVITIES

1. Minutes accepted.
2. Public Comment – Timothy Richards came to the committee to express his concern over the Simpson Point landing being closed to clambers. This is a problem for clambers with small boats digging White's Island and adjacent areas. The exact rationale for the closing is not presently clear to the committee. The committee will work with Tim to understand why the landing was closed and will draft a position letter for the Selectmen to review.
3. Jim Hayes to contact Jim Connors regarding grant funding for a potential Harbor Management Plan.
4. Distributed and briefly reviewed Stockton Springs Harbor Management Plan
